

Maker Camp @ Cora J. Belden Library

For students in grades 4 - 8. Registration for each event will open two weeks prior to the date of the event. Students in grades 9 –12 are welcome to sign up to volunteer at these events.

Tuesday, June 21st at 3:00 pm

Make Your Own Maker Camp LED T-Shirts

Get yourself ready for Maker Camp 2016 by creating your own Maker Camp t-shirt with some stencils, paint, LEDs and coin cell batteries.

Tuesday, June 28th at 3:00 pm

Minecraft Ore Lamps and Paper Monsters

Make the world of Minecraft come alive by creating light up ore lamps and paper figurines of creepers and mobs.

Tuesday, July 5th at 3:00 pm

Cardboard Masks

Learn how versatile something as simple as cardboard can be by creating intricate mask designs

Tuesday, July 12th at 3:00 pm

Origami Light Up Hat

Make an origami hat with a twist using a paper circuit with copper tape and LEDs.

Tuesday, July 19th at 3:00 pm

Straw Geodesic Dome

Make math come to life by creating a dome using straws and matching triangles and polygons.

Tuesday, July 26th at 3:00 pm

PVC Stomp Rockets and Straw Rockets

Prepare to soar by creating PVC rocket launchers in teams and then designing your own rocket to launch! This program will take place entirely outside if weather permits.

Tuesday, August 2nd at 3:00 pm

Rainbow Spectroscope

Learn about the properties of light by making a spectroscope using old CDs and some cardstock.

Tuesday, August 9th at 3:00 pm

Balloon Drums and 2 Penny Kazoo

Get musical with some basic materials like tongue depressors, pennies, balloons, and empty containers, and be amazed at the results!
